## Membership Type

**1** Decide which benefit package description best matches your goals as a business and or organization.

**2** Use the Chart to determine annual investment needed to activate your membership.

**3** Review goals annually to determine whether an upgrade is appropriate to address your unique needs.

### Premier Partner

The **Premier Partner** is the highest level of membership and includes bundled benefits for all WDCC events, activities, meetings, programs, and sponsorships as well as the visible, public recognition for the company's investment. Contact the Chamber President to discuss your goals and see if this membership level is right for you.

### Supporter Membership

The **Supporter** reflects a true appreciation for the depth and breadth of our Chamber's work and a willingness to provide their fair share investment to maintain these services. The investment offers access to enhanced marketing, business listing, promotions and saving on events and training when a fee is charged.

### Partner Membership

The **Partner** knows the value that the Chamber brings to the local community and region. The annual investment reflects their belief that a strong organization committed to advancing the interest of business delivers benefits to them and to every business resident in the community.

"Teamwork is the ability to work together toward a common vision. The ability to direct individual accomplishments toward organizational objectives. It is the fuel that allows common people to attain uncommon results."

- Andrew Carnegie, American businessman

### Investor Membership

The **Investor** seeks elite access to the resources and relationships that the Chamber has fostered and maintained for decades. The investor receives counsel and will engage with Chamber staff on all business challenges and successes to improve outcomes, enhance their image and to advocate for meaningful policies at any level; local, state or federal.

### Standard Membership

The **Member** wants access to the network of contacts that date back to 1952. Wishes to be found on-line and values the increased status membership brings. Members are seen at responsible, ethical and professional, and, particularly new businesses need legitimacy. SEO or social media, & web boosts exposure of all members.
